Help bring our 2023-2024 season to life!

For more than 120 years, the Canadian Club of Ottawa has been an essential forum for exploring the issues that matter most to Canada.

We are proud to be launching our historic 120th season of extraordinary events at the premier podium in the Nation's Capital—keeping Canadians informed, engaged, and inspired.

Canadian Club speakers are leaders in business, politics, academia, and the arts. They are the builders, the thinkers, and the dreamers who are shaping Canada's future and defining our place in an ever-changing world.

With your vital support, we will continue to promote and provoke meaningful discourse on concerns shaping the lives of Canadians—and witness history in the making, together.
